

# Moving Home Checklist

We know that moving home can be stressful. To help you stay organised, we've created a helpful checklist that you can use to keep track of the main things you'll need to do before, during and after your move.

## Before moving

- Confirm your moving date
- Book time off work
- Book a removal company
- Arrange care for children and/or pets
- Redirect your mail
- Defrost your freezer
- Pack your belongings
- Label your moving boxes

## On moving day

- Check everything is packed
- Take final meter readings at your old property
- Drop off your keys to your landlord/real estate agent
- Pick up keys to your new home
- Take initial meter readings at your new property
- Start unpacking

## After moving in

- Set up home/contents insurance
- Take out a maintenance plan or insurance policy for your heating and/or plumbing
- Set up your energy account(s)
- Set up your broadband
- Register with a local doctor
- Register with a local dentist
- Register with a local vet
- Register to vote
- Register with local school/nursery
