

Standard Prepayment

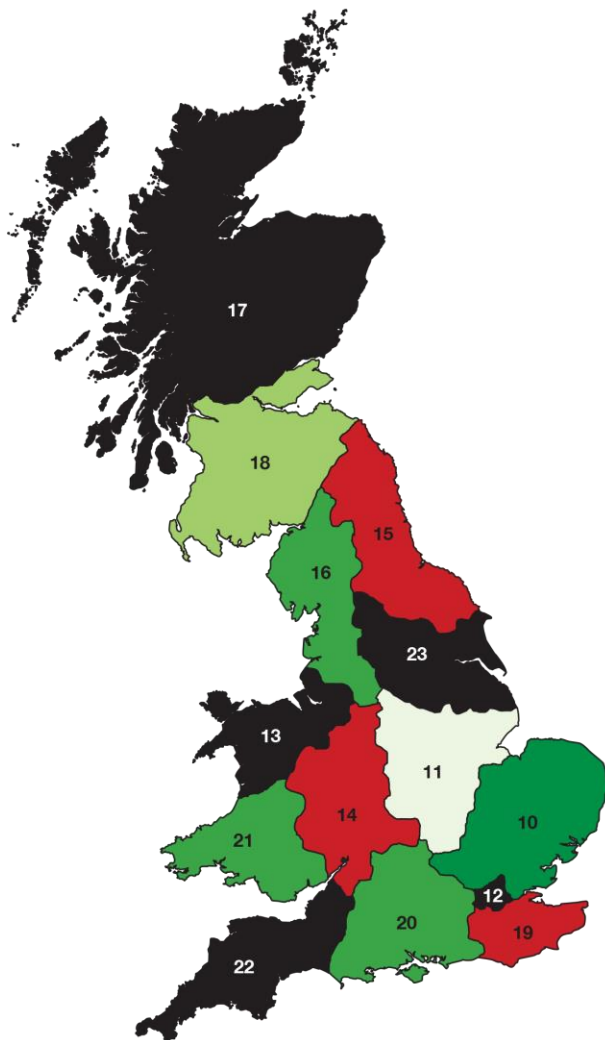

Key Facts

1. ScottishPower's General Terms and Conditions for Domestic Customers apply. Your Direct Debit and/or bill amount may vary depending on your gas and/or electricity usage. Our standard tariff prices may increase or decrease in the future; we'll give you 30 days' notice if our prices are increasing.
2. You can end your agreement(s) at any time by moving to another ScottishPower tariff, switching supplier or if you move house.
3. We can end this agreement by giving you 42 calendar days' prior notice in writing or if you move house. If you move house give us at least 2 working days' notice or you will continue to be liable for the supply.

Estimated Annual Costs

To help you understand your estimated annual costs on our Standard Prepayment tariff we've calculated what you could pay for your gas and electricity over the next 12 months. Please note the tariff prices will vary depending on the area in which you are being supplied. Your actual tariff prices will be detailed in your welcome pack. We recognise that although your property may be vacant for a period of time, energy may still be consumed. This estimated consumption may be higher than the actual amount of energy used at your property.

Dual Fuel

	Estimated Annual Cost
Electricity	£394.81
Gas	£345.45

Based on a GB average domestic customer using OFGEM low annual consumption of 1,800kWh of electricity and 8,000kWh of gas each year and paying quarterly by Prepayment. Includes VAT at the current applicable rate of 5%.

Electricity Solus

	Estimated Annual Cost
